Semantic Textual Similarity

Mauro Vázquez Chas, Dániel Mácsai

December 12, 2024

Outline

Background

- Brief overview of the project topic
- Importance of the problem
- Objectives of the presentation

Problem Statement

Problem

Clearly define the problem your project addresses.

Goal

Explain the specific goals of your project.

Methodology

- Step-by-step explanation of your approach
- Tools, techniques, or frameworks used

Key Findings

- Highlight main results
- Use figures, charts, or tables (if available)

Conclusion

- Summarize key takeaways
- Future work or implications
